

Pelican Lake Healthy Water and Fish Committee

About Our Committee

The Pelican Lake Healthy Water and Fish Committee (or The Healthy Lake Committee), a committee of the RM of Prairie Lakes, was formed in the fall of 2012. We are an organization that promotes water stewardship and fish habitat maintenance, and implements projects and activities to improve the water quality and overall health of Pelican Lake, Manitoba and her watershed.

Our key areas of focus include Pelican Lake recreational fishing, overall healthy fish and aquatic habitats in the lake, and educating residents and visitors about the impact of human activity on lake health and proper practices to ensure a healthy lake. One of our main goals is to determine the most efficient and effective ways for us to responsibly manage our lake waters, and improve the health of Pelican Lake and therefore, the eco-system that is dependent upon the quality of the water in the lake.

We are now operating two full micro-bubbler aeration systems year round. Running at full capacity in winter, the aeration systems add oxygen to the water to prevent fish die-offs. Running at a reduced capacity during the summer, they work to de-stratify the water column and accelerate the breakdown of the organic material on the bottom of the lake.

Annual Ice Fishing Derby – At a Glance

On Saturday, March 5, 2022, we will be hosting our 9th Annual Ice Fishing Derby. All proceeds raised at our derbies go directly back into aeration of Pelican Lake and help us to continue to educate visitors and residents on the steps they can take to reduce their impact on the lake, all in an effort to keep our lake healthy!

At our last derby in March 2020, we had 663 adult anglers and 137 junior anglers, making it one of our biggest derbies! Our derby has a large media following. Local radio stations across Westman run ads in the time leading up to the derby, in addition to doing various on-air interviews with our committee members. Our social media following grows each year; The Healthy Lake Committee Facebook page now has over 1,000 followers, and our posts now reach as many as 19,000 people!

After taking a break in 2021 due to COVID, we are hoping that this year's derby will be a big success with high participation. Certain aspects of the derby will be modified to eliminate almost all contact, which will allow us to hold a COVID safe derby.

Impact of Your Sponsorship

The 2022 derby provides an opportunity for your organization to impact the overall health of Pelican Lake and her watershed. Your sponsorship of this event will allow our committee to continue our efforts of improving recreational fishing and fish/aquatic habitats.

Your organization's partnership for this event will raise the bar for community support! It will also provide you with the opportunity to make a direct impact on Pelican Lake, while giving your organization recognition of this support to your target market. As we continue to grow as a committee, please know that our partnerships with our sponsors are vital to our success!

Sponsorship Opportunities

Platinum Sponsor \$1,500*

Everything in the Gold Sponsor category below, plus your logo placed on permanent lakeside signage, and your logo and link to your website on the front page of our website. Multi-year Platinum (or higher) Sponsors become Healthy Lake Strategic Partners. Ask us for details!

Sponsorship Levels

- \$1500* Platinum Sponsor
 \$500* Gold Sponsor
 \$250* Silver Sponsor
 \$150* Bronze Sponsor
 Other: _____

*Monetary Donation, or in-kind donation of equal value.

For in-kind donations, please give a brief description of the donation along with the retail value:

Please make cheques payable to The Healthy Lake Committee

PLEASE NOTE: Sponsorships or donations must be received by February 25, 2022 to ensure that you are listed on all advertising at the derby. Thank you!

An electronic registration package will be distributed to every derby participant. As a sponsor, you have the opportunity to include something digital in this package, such as coupons etc. Please feel free to contact us to discuss options for this if you are interested! Registration begins Feb 1st so we would need your digital files by then if you want to include anything in the registration package.

All individuals, businesses and companies who donate to the fishing derby will be recognized on our website, Facebook page and at the derby itself.
