

Dear Friends of Pelican Lake:

The Healthy Lake Committee is excited to share that the 3rd Annual Healthy Lake Youth Ice Fishing Derby will take place on Saturday, March 7, 2026, at Pelican Lake. We're thrilled to bring this fun-filled youth event to our community!

The youth derby is a free, fun, and educational event for children aged 3–14. It provides young anglers with hands-on opportunities to learn proper fish handling, sportsmanship, and a lifelong appreciation for fishing and the outdoors. Each participant receives a gift, a hotdog, and a hot chocolate, and has the chance to win prizes for fish caught. In recent years, this event has seen strong participation and growing enthusiasm within the community.

Sponsorship plays a vital role in making this event possible. Because entry is free, sponsor support allows us to continue offering an inclusive and memorable experience for our youth. In addition to supporting the derby itself, your sponsorship helps foster the next generation of lake stewards and strengthens community engagement with Pelican Lake.

The Healthy Lake Committee is a volunteer-driven organization dedicated to protecting and enhancing Pelican Lake and its watershed. Our work extends well beyond derby day and includes year-round initiatives such as the operation and maintenance of our two aeration systems in Pelican Lake.

As a sponsor, your organization will receive recognition through our website, social media, and on-site signage at the event, providing positive visibility while demonstrating a meaningful commitment to our community and Pelican Lake.

We would be pleased to discuss sponsorship opportunities with you and answer any questions you may have. Thank you for considering support of the Healthy Lake Youth Ice Fishing Derby.
